ANNEX A - Technical specifications for Make-up kits

CREATE: *Enhancing Skills and Financial Inclusion for Young Women in the Creative Economy*

In partnership with the Mastercard Foundation, the CREATE Program will support young creatives through innovative and impactful grant instruments designed to enable market entry and inclusive growth. The grants have been designed to target newly skilled, and financially excluded, early-stage creatives in Uganda's urban, peri-urban and rural communities.

The program is planning to purchase make up kits below:
